## EVERGREENS

## Prices are for Evergreens Securely Balled and Burlapped

Can dig Evergreens, roots puddled at the following reductions in price:

12 to 18 inches at 12½c.      18 to 24 inches at 15c.      2 to 3 feet at 20c.

Our Evergreens have all been three times x x x transplanted, having been grown with plenty of room for development. Have been properly sheared and pruned for producing compact, symmetrical specimens.

Evergreens selected and marked by customers in the Nursery field will be charged for in accordance with their value, and prices named in this list will not govern.

Height specified after botanical name indicates height tree should obtain at maturity

We cannot assume responsibility for the successful transplanting of Evergreens, as weather conditions, method of handling and care govern results secured. All Evergreens are sold with the distinct understanding that if they arrive in good condition and are accepted, our responsibility ceases.
